

Cost Comparison: **Home Healthcare vs. Assisted Living**

In-Home Living & Healthcare, You Cover:

Rent or mortgage, home insurance and
property taxes

Utilities and bills

Grocery and personal shopping (toiletries,
pharmacy visits, clothing, etc.)

Home healthcare, coordination of
healthcare between doctors and specialists

Transportation

Home maintenance, pest control,
landscaping and seasonal outdoor tasks

Cleaning, laundry services and
housekeeping

Security system installation and
maintenance

Assisted Living Community, Monthly Cost Covers:

Apartment rent and community costs

All monthly bills: no additional costs on top
of monthly fee

Restaurant and dining: all meals covered with
in-apartment dining options

Healthcare coordination: our staff helps
coordinate care + we employ care staff

Transportation: scheduled transport to
appointments and errands

Apartment maintenance: covered by
community staff

Cleaning and laundry: services available

Security system: 24-hour staffing with in-
apartment security features

Robust social calendar: in-community
activities and off-site events

Wellness and health classes: lead by geriatric
experts

On-site spa: access to hair, nail and regular
beauty services

Recreational spaces: movie theatre, library,
outdoor courtyards and more

Social connections: access to like-minded
neighbors

VINEYARD

Senior Communities
